White State Bank

Our Community.....Your Bank

Dear Valued Customer,

We are excited to announce that Peoples Savings Bank has entered into an agreement to merge with and into White State Bank. The merger will occur on September 9th, 2022 and White State Bank will retain the same name with branch offices in Crawfordsville and Wayland.

White State Bank was founded in 1908 and has served the residents of South English and the surrounding communities since that time. We offer services of a modern financial institution while maintaining the integrity of a community bank where decisions are made onsite. This allows for quick decision making and tailoring products and services to meet the needs of our customers. Our success would be impossible without each one of our valued customers and their support.

Peoples Savings Bank is a locally owned and managed affiliate community bank serving residents and businesses in Crawfordsville, Wayland and surrounding communities. The bank shares the same values and this merger will strengthen both institutions and allow us to continue to offer current technology, products, and services that make your banking convenient.

What this means for you. There will be no changes to the staff at White State Bank or Peoples Savings Bank. It is anticipated that you will see no changes in your ongoing banking relationship. **Due to the September 9th merger, your online banking services will be unavailable from 2PM on September 9th, 2022 until 7 AM on September 12th, 2022.**

White State Bank is honored to serve both our current and future account holders. If you have any questions about the merger, please call us at 319-667-5005 and we will be happy to assist you.

Thank you for choosing White State Bank for your banking needs. We appreciate your business and hope we can continue to be of excellent service to you.

Best Regards,

White State Bank
